

Year 5/6 Saltaire and Book Topic homework grid.

Please complete a minimum of three tasks per half term. You may present your work in any way that you wish.
We look forward to seeing some of your amazing creations! Have fun!

	Task option 1	Task option 2
Remember	Produce a leaflet to promote and advertise Saltaire. Include the historical and geographical facts to encourage visitors.	Produce a radio jingle or leaflet to promote and advertise Saltaire. Include the historical and geographical facts to encourage visitors. Use photographs, interesting facts and interviews.
Understand	Have you or a family member ever changed schools, began a different job, moved to a different city or country? How did you/they feel about leaving? From your findings, produce a leaflet to help a child settle into a new environment.	Have you or a family member ever changed schools, began a different job, moved to a different city or country? How did you/they feel about leaving? Present your findings as an interview or diary entry.
Apply	What materials are most of your clothes made from? Which country have your clothes been made in? Make a tally chart to show your findings.	Take your favourite outfit and discover what materials were used to make the outfit and which country they were made in. How far has your outfit travelled to be in your wardrobe? Use a map to show air miles.
Analyse	Where were your family born? Were they born locally or from another town, city or country. Research your ancestors and show your findings.	Where were your family born? Were they born locally or from another town, city or country. Research your ancestors using maps, photographs etc to show your findings.
Evaluate	How is cotton, wool, silk and linen made into clothes?	How is polyester, nylon and lycra made into clothes?
Create	You have been asked to create a new town. What would you need to include to ensure people would want to live there? Consider housing, job opportunities, transport, education, recreational and leisure facilities.	You have been asked to create a new town. What would you need to include to ensure people would want to live there? Consider housing, job opportunities, transport, education, recreational and leisure facilities. Produce a 3D map.
