

School Council @ Tranmere Park Primary School – 2026/27

This year, our school council representatives aim to take on projects that will support the development of 3 categories. **These are: school grounds, the school community (pupils and / or teachers) and the wider community (families and / or the local area and it's people)** . Every individual project will focus solely on one of these categories, with the aim of enhancing provisions, well-being and links within the chosen area.
